Community Partners

Planting Trees for
Today and Tomorrow

WE PLANT it FORWARD

An open community network of people who passionately believe planting trees will create well being for humanity and the planet.

Benefits of Trees

- ▲ Trees Reduce Energy Consumption
- ▲ Trees Help Maintain the Water Cycle
- ▲ Trees Sequester Carbon
- ▲ Trees Filter Out Pollutants

How WE PLANT it FORWARD Works

You promise to plant a tree. We give you a tree seedling. You move it forward and find another person to plant a tree. **WE PLANT it FORWARD!** Come, join us, change the world one tree at a time. Do your part to make the world a beautiful and healthy place to be.

DONATE

For more information on the benefits of trees, a video tutorial on planting trees and how to donate to WE PLANT it FORWARD, a program of the Agni Institute, visit us at www.WEPLANTitFORWARD.org

The Agni Institute is a 501(c)3 organization. All donations are tax deductible in the USA.

To plan a WE PLANT it FORWARD event, speaking engagements, or free tree seedlings, contact Maggie Bailey by phone, 919.610.5099 or email at mbailey@agniinstitute.org

TREE SEEDLING SERVICE PROJECT

500-Tree Event: What

- ▲ Potting tree seedling
- ▲ Giveaway tree seedlings
- ▲ Plant tree seedlings
- ▲ Environmental education
- ▲ Environmental service project

500-Tree Event: Where

- ▲ At the community partner location
- ▲ Mutually agreed upon location

500-Tree Event: When

- ▲ Held December to March, the best time for planting
- ▲ During the weekday or weekend
- ▲ Year-round tree giveaway is supply dependent

500-Tree Event: Why

- ▲ Community building
- ▲ Environmental preservation and restoration
- ▲ Environmental community service
- ▲ Community partnership opportunities

500-Tree Event: How Much

- ▲ Free, cost covered by sponsoring company
- ▲ Cost includes all materials for potting trees and administration to run the program.

When your community joins WE PLANT it FORWARD in a 500-tree event, your community...

- ▲ Will furnish enough oxygen every year for up to 1000 people throughout the trees' mature life
- ▲ Will offset the carbon emissions of up to 24 cars annually at the trees maturity, sequestering 14 tons of carbon
- ▲ Will engage as many as 500 people in planting trees, building the WE PLANT it FORWARD network of tree planters
- ▲ Will have a lasting environmental impact for up to 500- 1000+ years from now, about the average lifespan of a large mature tree
