A program of the

▲
When your company joins WE PLANT it FORWARD in a tree event, your company ...

- ▲ Will engage as many as 500 people in planting trees.
- ▲ Will offset the carbon emissions of up to 24 cars annually at the trees maturity, sequestering 14 tons of carbon
- ▲ Will furnish enough oxygen every year for up to 1000 people throughout the trees' mature life
- ▲ Will have a lasting environmental impact for up to 500- 1000+ years from now, about the average lifespan of a large mature tree

WE PLANT it FORWARD

An open community network of people who passionately believe planting trees will create well being for humanity and the planet.

Some of the Many Benefits of Trees

- ▲ Trees Reduce Energy Consumption
- ▲ Trees Help Maintain the Water Cycle
- ▲ Trees Sequester Carbon
- ▲ Trees Filter Out Pollutants

What's Behind the Movement

You promise to plant a tree. We give you a tree seedling. You move it forward and find another person to plant a tree. **WE PLANT it FORWARD!** Come, join us, change the world one tree at a time. Do your part to make the world a beautiful & healthy place to be.
